STATE-OF-THE-ART TECHNOLOGY

The quality of surfaces is unmatched and durability unbeatable. Our brings you 200x1200mm sized wooden planks that are crafted with state-of-the-art technology featuring endless possibilities. The body of the surfaces is precisely embedded with an Engobe layer for sheer strength, a glaze layer to enhance the natural appeal and a protection layer to make surfaces anti-microbe & resilient for spaces.

FEATURES

DISCOVER ALL-ATTRACTIVE FEATURES FOR ALLURING SPACES

The definite features are perfect for a relaxed living ambiance. They create an atmosphere of warmth and elegance shielding your space from unwanted attributes.

ECO-FRIENDLY

The wood-look surfaces are sustainable and eco-friendly which makes them the best flooring option for your space.

HARDNESS

The nature-inspired surfaces can withstand high wear and tear.

NOMAINTEANCE

These surfaces require no or minimal maintenance as they are easy to install and eventually saves time.

RESISTANT TO FIRE

The non-combustible characteristic makes these wood-look surfaces fire-resistant or heat-proof.

UNALTERABLE

The wood-look surfaces can withstand high exposure to sunlight which makes the color of the surfaces unaltered.

RECTIFIED

The rectified edges of the surfaces make them visually attractive and dimensional.

ANTI-SLIP

Anti-slip surfaces give you a natural feel and warmth while adding resistance and grip to your space.

EASY TO CLEAN

These surfaces are easy to clean and thus, increase your space's longevity.
